## Road Safety Rules for teachers, visitors, pupils, parents and carers

We all want our children to be safe and we are lucky at our school to have safe parking - **if we use it sensibly!**

Inside this leaflet are some simple and common sense rules that will help us **all** make sure our children are that little bit safer when they arrive at school and leave school.

Please take the time to read this leaflet and follow the simple guidance about some common sense practices we should all adopt around the entrance and close to our school.

If you have any comments or suggestions about our school's road safety please contact the school office. If you would like further information please refer to the Highway Code.

## ~Golden rules~

**Don't** stop on or near zebra crossings, on double yellows or on zig-zags. We need to keep areas around the school entrance clear. We have No Parking cones to help you. Please respect them.

**Don't** park in front of the school drive.

**Don't** use the school entrance as a turning circle or as a place to drop off children

**Don't** park in the drop off zone

**Don't** park at the nursery end of the school - it blocks the view of cars

**Don't** park in the disabled bay unless you are entitled to
