

Enrichment Clubs - September to December 2025

As ever, we are delighted to continue to provide a varied selection of extra-curriculum after school clubs for children from Year 1 to Year 6, Monday to Thursday. We always try and add something new to the selection as well as the regular favourites – these provide enrichment for our pupils and are always popular and increasingly over subscribed. A mixture of clubs that are also run by outside companies, offering a wide range of challenges and activities for the children to enjoy and experience beyond the curriculum.

Clubs do change on a seasonal/termly basis, most clubs will start week beginning 15th September bookable from Monday 1st September (please look on the attached sheet for end dates these are also shown on MCAS). Hopefully, there will be a club for your child to try out; whether it be arty or sporty, develop a new skill, make new friends and most importantly to socialise and just have fun.

Lunchtimes-Choir practise will be held one lunchtime for Year 3 upwards. Football practice will continue at lunchtimes for Year 5 & 6, as well as other sporting opportunities for year groups run by Mr Bedwell.
