

Progression of PHYSICAL EDUCATION - FOOTBALL

	KNOWLEDGE	PERFORMANCE OF SKILLS
Year 6	Unit: FOOTBALL Prior knowledge Know how to dribble into space, pass with accuracy and defend against an opponent in a team	All children (WTS) <ul style="list-style-type: none"> - Dribble with small touches into space, keeping their head up whilst changing direction and speed under pressure from a defender. - Send a football to someone on the team, using different parts of foot with accuracy over different distances and angles. - Position body to defend effectively, making successful interceptions. Most children (EXS) <ul style="list-style-type: none"> - Know how space changes within a game and when and how to move into changing spaces. - Draw defender away to create space - Use a range of ways to keep a ball under control (foot, knee, head, and knowing which one due to where ball is coming from) when under pressure from a defender. Some children (GDS) <ul style="list-style-type: none"> - Dribble with small touches into space, keeping their head up whilst changing direction and speed under pressure from a defender, using turns to evade them. - Send a football to someone on the team, using different parts of foot with accuracy over different distances and angles with pressure from a defender
	<ul style="list-style-type: none"> - Know how to dribble into space, changing speed and direction. - Know how to pass from different areas on the pitch. - Can effectively defend against an opponent. 	
Year 5	Unit: FOOTBALL Prior knowledge Know how to dribble into space, pass with accuracy and defend against an opponent.	All children (WTS) <ul style="list-style-type: none"> - Dribble making small touches into space with speed keeping their head up. - Send a football to someone on the team, using different parts of foot with accuracy. - Defend a player and make some successful interceptions for team. - Lose a defender to receive a pass. Most children (EXS) <ul style="list-style-type: none"> - Dribble with small touches into space, keeping their head up whilst changing direction and speed. - Send a football to someone on the team, using different parts of foot with accuracy over different distances. Some children (GDS) <ul style="list-style-type: none"> - Dribble with small touches into space, keeping their head up whilst changing
	<ul style="list-style-type: none"> - Know how to dribble with speed into space whilst looking up. - Know how to accurately pass the ball with different parts of foot - Know how to defend and make successful interceptions against an opponent - Know how to move into space to lose a defender. 	

		<p>direction and speed under pressure from a defender.</p> <ul style="list-style-type: none"> - Send a football to someone on the team, using different parts of foot with accuracy over different distances and angles. - Use a range of ways to keep a ball under control (foot, knee, head, and knowing which one due to where ball is coming from). -
Year 4	Unit: FOOTBALL Prior knowledge Know how to dribble, pass and mark an opponent.	<p>All children (WTS)</p> <ul style="list-style-type: none"> - Dribble with small touches into space, keeping their head up. - Send a football to someone on the team, using different parts of foot. - Keep a ball under control when receiving a range of passes from team. - Understand where the space is and can move into it. - Mark another player and begin to attempt interceptions. <p>Most children (EXS)</p> <ul style="list-style-type: none"> - Dribble with small touches into space, keeping their head up whilst changing direction. - Send a football to someone on the team, using different parts of foot with accuracy. <p>Some children (GDS)</p> <ul style="list-style-type: none"> - Dribble with small touches into space, keeping their head up whilst changing direction and speed. - Send a football to someone on the team, using different parts of foot with accuracy over different distances.
	<ul style="list-style-type: none"> - Know to look up for space when dribbling. - Know how to pass the ball using different parts of foot. - Know how to mark and attempt to intercept ball from opponent 	
Year 3	Unit: FOOTBALL Prior knowledge	<p>All children (WTS)</p> <ul style="list-style-type: none"> - Begin to dribble a ball making small touches. - Begin to send (PASS) a football to someone on team. - Can identify where space is and try to move into it. - Mark another player and defend when needed. <p>Most children (EXS)</p> <ul style="list-style-type: none"> - Begin to dribble a ball making small touches changing direction. - Begin to send (PASS) a football to someone on team with accuracy. - Can identify where space is and try to move into it to receive the ball.
	<ul style="list-style-type: none"> - Know what dribbling is. - Know how to pass the ball. - Know when to mark an opposition player. - Know how to identify space and move into it. 	

		<ul style="list-style-type: none">- Recognise when to mark another player and defend when needed. <p>Some children (GDS)</p> <ul style="list-style-type: none">- Begin to dribble a ball making small touches changing speed & direction.- Begin to send (PASS) a football to someone on team with accuracy over different distances.
