

Enrichment Clubs - April to July 2026

As ever, we are delighted to continue to provide a varied selection of extra-curriculum after school clubs for children from Year 1 to Year 6, Monday to Thursday. We always try and add something new to the selection as well as the regular favourites – these provide enrichment for our pupils and are always popular and increasingly over subscribed. A mixture of clubs that are also run by outside companies, offering a wide range of challenges and activities for the children to enjoy and experience beyond the curriculum.

Clubs do change on a seasonal/termly basis, most clubs will start week beginning 20th April, bookable from Thursday 2nd April (please look on the attached sheet for end dates these are also shown on MCAS). Hopefully, there will be a club for your child to try out; whether it be arty or sporty, develop a new skill, make new friends and most importantly to socialise and just have fun.
